DIRECTIONS: Count birds anywhere in Clallam Co. on World Migratory Bird Day, the second Saturday in May. When finished with the count, return your lists **ASAP** to **bboek@olympus.net.**

Also, if possible please get sponsors for your count and help raise funds to support OPAS and the Dungeness River Audubon Center – Thank you very much!!

Counters: Please fill out the following and turn it in with your tally sheets.

 AREA(S) COVE 	ERE	D:
----------------------------------	-----	----

2. OBSERVERS: (please include other info if we need to ask about birds seen)

	NAME	<u>ADDRESS</u>	PHONE	email		
Leader:						
2)						
4)						
Information below about TIMES and DISTANCES are essential for count analyses, enabling researchers to make comparisons between years based on party-hours and party-miles. Please keep accurate records and estimates of TIMES and DISTANCES during the day.						
3. STARTIN	IG TIME:		QUITTING TIME:			
DID YOU	BREAK DURING T	HE DAY?	FOR HOW LONG?			
4. PARTY M	IILES AND HOURS:	<u>:</u>				
HOURS o	covered on foot:		MILES on foot:			
HOURS o	covered by car:		MILES by car:			
HOURS o	other (e.g. boat, bicy	cle):	MILES other:			
HOURS o	owling:		MILES owling:			
Location	owling:		HOURS watching feeder:			
5. <u>NOTE</u> : If your party splits up during the day, please compute the time and distances separately for each of these sub-parties, stating how many hours in each sub-party, as well as the hours and miles of the original group above. <u>THIS IS IMPORTANT!!</u>						
SUB-PARTY HOURS on		OUPS WERE SEPARATED:	MILES on foot:			
HOURS by	car:		MILES by car:			
HOURS oth	er (e.g. boat, bicycle	e):	MILES other:			
HOURS owl	ling:		MILES owling:
